Mr. Dennis Cooper

Dear Mr. Cooper:

The Washington State Liquor Control Board hereby withdraws WSR 95-13-096 filed June 21, 1995. The proposal pertaining to the removal of wine from a bonded wine warehouse was the result of a petition filed by the Washington Wine Institute. Following a public hearing on August 4, 1995, proponents and opponents were directed by the Board to work to reach agreement.

On Wednesday, August 16, the Board determined that the Washington Wine Institute and the Washington State Beer and Wine Wholesalers Association could not come to an agreement on the issues. At that time, the Board voted to withdraw the proposed rule and recommended the matter be directed to the next session of the Legislature for resolution.

Sincerely,

Joseph McGavick
Chair
